RUTH SMITH's - Paint The Winter

Blues Away! Through a new approach to painting watercolours, beginners will learn simple drawing skills, colour harmony and Chinese brush techniques.

Advanced painters will sharpen their observation skills, learn new techniques in order to paint landscapes or birds in their natural habitat. During 1 ½ hour weekly sessions painters will spend time sharing tips with others and making new friends in a pleasant atmosphere.

Information, call Ruth Smith 386-2954

ART WORKSHOPS WITH ANN BALCH,

an elected and an award-winning member of the Canadian Society of Painters in Water Colour, is offering two art classes at Moncton Wesleyan Church, St George Blvd. - 1) **Introduction to Watercolours** covers the basics, Monday nights, Feb. 5 - March 12 (no class March 5). If you've never painted or drawn, but have always thought it was an interesting idea, or if you've started, but need encouragement, this could be the course you need. - 2) The 6-session **Colour Clinic** is for students of all levels who want to take the guesswork out of mixing colour. One of Ann's most popular classes, it fills up quickly, so early registration is suggested. Sessions are Monday nights: March 19, April 2, 16, 30 and May 7, 14 (note that these are not all consecutive dates!)

More information: www.annbalch.com or 854-4054.

Until Feb 27th - Works from FOG FOREST GALLERY, Sackville, at Capitol Theatre, Irving Lobby Gallery!
